Moving home

- We're leaving Holy Trinity soon
 - Going to the URC
 - “Two families sharing a home”
 - Potentially something for the long term
 - Why?
 - Want /need a visible / public location
 - Building something potentially for the long term
 - Trial from Nov – Jan
 - BUT need to move time of meeting: for the trial this will be 4.30pm-6pm
 - Various actions to try to overcome the immediate drawbacks
